

**CALL FOR SUBMISSIONS OPEN
INTERNATIONAL VIDEODANCE CONTEST
VIDEOMOVIMIENTO 2017**

The **FUNDACIÓN IMAGEN EN MOVIMIENTO**, officially opens the 11th Version of the “**International Videodance festival, VIDEOMOVIMIENTO 2017**”, that is going to take place between 25th & 29th September

We also launch the **11th International Videodance Contest opened for participants all around the world**, inviting filmmakers, artists and everyone who uses videodance as an artist media.

We encourage participants to explore the different possibilities in movement and expression using a camera as a medium.

Videodance is a choreographic work especially made for the camera, in which there's a direct relationship between body, movement, choreography and image.

**CALL OF THE INTERNATIONAL VIDEODANCE CONTEST
VIDEOMOVIMIENTO 2017**

Videodance award

The jury and the Festival directors are able to pronounce three winners for the Eleventh International Videodance Contest.

The award can also be declared void if works don't satisfy Festival's expectations.

Anyone can enter the festival's contests: independent artists, companies, groups, organizations, partnerships, academies and schools from any place in the world.

The International Videodance Contest is sponsored by the Fundación Imagen en Movimiento.

Submissions guidelines

There is not special theme for this contest. Nevertheless, aspects such as visual treatment, relationship between body and camera, movement and image, and original script will be considered.

**Submissions begin July 15th 2017
Final deadline: September 15th 2017.**

Media can be sent by airmail until the closing day.

Videos must have **a maximum length of 10 minutes, credits included.**
They **must have been made after January 1st 2016.**

Entrants must **complete and sign the inscription form, available at the website www.videomovimiento.com or it can be sent by request at videomovimiento@yahoo.com**
